BEERWALK IN BYDGOSZCZ

Beerwalk in Bydgoszcz - in Polish we say 'Na zdrowie!'

Brewing traditions in Bydgoszcz date as far back as the Middle Ages, most of the beer at this time was produced (and consumed) by monks. Barrels of beer were often given to hospitals as charitable donations but were also used as means of payment at the time. Bydgoszcz beer was said to be so tasty that it had no competition in the immediate area.
