BYDGOSZCZ COFFEE TOUR

Bydgoszcz is a vibrant city to discover. With its unforgettable location along the river, green parks and squares, interesting architecture and some hidden gems is really worth seeing all around the year. For many years city was considered only as the industrial and grey but now this soul made of steel and wood is becoming more and more interesting for visitors.

Bydgoszcz has also very good cafes with speciality coffee. World roasting champion is roasting his coffee here and distributing to cafes where you can taste it. During this tour you will have a chance to taste speciality coffee.
